

Children in Fiddler on the Roof

Fiddler of the Roof is about parents and children and Anatevka would be an odd village if there weren't a few small ones about. We'd like children to appear in most of the chorus numbers and there are also some other opportunities. They'll need to know the songs but noone will have to speak on their own (though there's a dance number which would be nice to do).

No child needs to come to the auditions. If you/they'd like to be in it, just contact us and we'll see if we can find a place.

We'll start rehearsing in August but we will begin rehearsing the children later than that. The performance week is 18th to 24th November

If you'd like to know more or express interest, please contact of interest to Karen Durrell at tapyourtoes@hotmail.co.uk

What do I need to do to audition?

If you're not going for one of the bigger parts you won't need to – you're in the company! If, additionally, you're going for one of the parts below, you will be asked to sing a song on your own (singing parts only) and read a few lines of dialogue with others (accents optional). You will want to practise – we will email you an mp3 of the audition songs and the text of the audition pieces.

Song

Choose from

Sunrise, Sunset	First bit – see sheet
If I were a rich man	First bit – see sheet (including the spoken intro)
Matchmaker	First bit – see sheet

NB You don't need to sing the part(s) you are auditioning for and if there is more than one part in the audition song, you'll be singing all of them; don't worry what sex you are!
